### About Me

I am Bhavesh Suthar, a passionate learner dedicated to building strong programming fundamentals and developing practical, hands-on projects. I enjoy working with Python, C, Java, and web technologies, and I frequently create small applications to refine my problem-solving abilities. My long-term goal is to become a full-stack developer and contribute to impactful, real-world applications.

### Education

#### Bachelor of Computer Applications (BCA)

Tilak Vidyapeth University – 2nd Year

### Skills

Category	Details
Programming Languages	Python, C, Java
Web Technologies	HTML, CSS, JavaScript
